INDEPENDENT ACCOUNTANTS' REPORT

Advanced Tel, Inc.
Gonzales, Louisiana

We have examined management's assertion, included in the accompanying Dial Around Compensation report, that Advanced Tel, Inc. d/b/a Eatelnet (EATEL) complied with 64.1310(a)(1) of the Code of Federal Regulations as of June 24, 2005. Management is responsible for EATEL's compliance with 64.1310(a)(1) of the Code of Federal Regulations. Our responsibility is to express an opinion on management's assertion about EATEL's continued compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence relating to EATEL's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on EATEL's compliance with specified requirements.

In our opinion, management's assertion that EATEL complies with the aforementioned requirements contained in 64.1310 of the Code of Federal Regulations as of June 24, 2005 is fairly stated, in all material respects.

This report is intended solely for the information and use of EATEL, the Federal Communications Commission, the Payphone Service Providers for which EATEL completes calls, and the facilities-based long distance carriers from which EATEL receives payphone calls, and is not intended to be and should not be used by anyone other than these specified parties.
